Volume 15, Number 3-4, December 2017, Pages 53-124

A

Anisocoria

Anisocoria secondary to anticholinergic mydriasis from homeopathic pink eye relief drops, **93**

Anthropometry

Mid-upper-arm circumference and arm-to-height to identify obesity in school-age children, **53**

Anti-cardiolipin antibodies

Recurrent thrombosis in patients with Antiphospholipid Syndrome receiving newer oral anticoagulants: a case report and review of the literature, **41**

Anticholinergic

Anisocoria secondary to anticholinergic mydriasis from homeopathic pink eye relief drops, **93**

Anticoagulants

Recurrent thrombosis in patients with Antiphospholipid Syndrome receiving newer oral anticoagulants: a case report and review of the literature, **41**

Anti-phospholipid syndrome

Recurrent thrombosis in patients with Antiphospholipid Syndrome receiving newer oral anticoagulants: a case report and review of the literature, **41**

Anti- β 2-glycoprotein antibodies

Recurrent thrombosis in patients with Antiphospholipid Syndrome receiving newer oral anticoagulants: a case report and review of the literature, **41**

Arm-to-height ratio

Mid-upper-arm circumference and arm-to-height to identify obesity in school-age children, **53**

Atopic dermatitis

The role of moisturizers in addressing various kinds of dermatitis: a review, **75**

B

Belladonna

Anisocoria secondary to anticholinergic mydriasis from homeopathic pink eye relief drops, **93**

Biliary tract

Professor Monastyrski N.D. (1847-1888): One of the forgotten pioneers of biliary surgery, **33**

Bisphosphonate

Treatment-refractory sternocostoclavicular hyperstosis, **37**

C

Cholecystectomy

Recurrent hemobilia due to right hepatic artery pseudoaneurysm, **96**

Contact dermatitis

The role of moisturizers in addressing various kinds of dermatitis: a review, **75**

Cost effectiveness

Statistical application and cost saving in a dental survey, **1**

D

Delivery of healthcare-integrated

Status update on translation of integrated primary dental-medical care delivery for management of diabetic patients, **21**

Dental informatics

Update on electronic dental record and clinical computing adoption among dental practices in the United States, **59**

Dental records

Update on electronic dental record and clinical computing adoption among dental practices in the United States, **59**

Dentistry

Update on electronic dental record and clinical computing adoption among dental practices in the United States, **59**

Diabetes

Status update on translation of integrated primary dental-medical care delivery for management of diabetic patients, **21**

Drug toxicity

Voriconazole-induced periostitis deformans: A mimiker of hypertrophic pulmonary osteoarthropathy, **19**

E

Electronic health records

Update on electronic dental record and clinical computing adoption among dental practices in the United States, **59**

F

Fibrillary glomerulonephritis

Fibrillary glomerulonephritis in primary Sjögren's Syndrome: a rare cause of renal failure, **100**

Fungal infection

The clinical presentation of subcutaneous phaeohyphomycosis: a case series from Ytebon, Ethiopia, **88**

G

Gastrointestinal hemorrhage

Recurrent hemobilia due to right hepatic artery pseudoaneurysm, **96**

Glomerular disease

Fibrillary glomerulonephritis in primary Sjögren's Syndrome: a rare cause of renal failure, **100**

H

Hemobilia

Recurrent hemobilia due to right hepatic artery pseudoaneurysm, **96**

Hepatic artery

Recurrent hemobilia due to right hepatic artery pseudoaneurysm, **96**

History of medicine

Professor Monastyrski N.D. (1847-1888): One of the forgotten pioneers of biliary surgery, **33**

Homeopathic

Anisocoria secondary to anticholinergic mydriasis from homeopathic similasan pink-eye-relief drops, **93**

I

Incidence

Incidence of primary biliary cholangitis in a rural Midwestern population, **13**

L

Ligation

Recurrent hemobilia due to right hepatic artery pseudoaneurysm, **96**

Lower extremity

The clinical presentation of subcutaneous phaeohyphomycosis: a case series from Ytebon, Ethiopia, **88**

Lung neoplasms

Pulmonary MALT lymphoma in patients with Sjögren's Syndrome, **6**

Lymphoma B-cell

Pulmonary MALT lymphoma in patients with Sjögren's Syndrome, **6**

M

Mailing

Statistical application and cost saving in a dental survey, **1**

Mass screening

Status update on translation of integrated primary dental-medical care delivery for management of diabetic patients, **21**

Meaningful Use

Update on electronic dental record and clinical computing adoption among dental practices in the United States, **59**

Mid-upper-arm circumference

Mid-upper-arm circumference and arm-to-height to identify obesity in school-age children, **53**

Moisturizers

The role of moisturizers in addressing various kinds of dermatitis: a review, **75**

Mydriasis

Anisocoria secondary to anticholinergic mydriasis from homeopathic pink eye relief drops, **93**

N**Newer oral anticoagulants**

Recurrent thrombosis in patients with Antiphospholipid Syndrome receiving newer oral anticoagulants: a case report and review of the literature, **41**

Non-Hodgkins Lymphoma

Pulmonary MALT lymphoma in patients with Sjögren's Syndrome, **6**

Nummular dermatitis

The role of moisturizers in addressing various kinds of dermatitis: a review, **75**

O**Overweight**

Mid-upper-arm circumference and arm-to-height to identify obesity in school-age children, **53**

P**Pamidronate**

Treatment-refractory sternocostoclavicular hyperstosis, **37**

Pancreatic cancer

Professor Monastyrski N.D. (1847-1888): One of the forgotten pioneers of biliary surgery, **33**

Pediatric obesity

Mid-upper-arm circumference and arm-to-height to identify obesity in school-age children, **53**

Periodontitis

Status update on translation of integrated primary dental-medical care delivery for management of diabetic patients, **21**

Periostitis

Voriconazole-induced periostitis deformans: A mimicker of hypertrophic pulmonary osteoarthropathy, **19**

Population-based study

Incidence of primary biliary cholangitis in a rural Midwestern population, **13**

Primary biliary cholangitis

Incidence of primary biliary cholangitis in a rural Midwestern population, **13**

Primary biliary cirrhosis

Incidence of primary biliary cholangitis in a rural Midwestern population, **13**

R**Renal failure**

Fibrillary glomerulonephritis in primary Sjögren's Syndrome: a rare cause of renal failure, **100**

Risk assessment

Status update on translation of integrated primary dental-medical care delivery for management of diabetic patients, **21**

Rivaroxaban

Recurrent thrombosis in patients with Antiphospholipid Syndrome receiving newer oral anticoagulants: a case report and review of the literature, **41**

S**Sample size**

Statistical application and cost saving in a dental survey, **1**

Seborrheic dermatitis

The role of moisturizers in addressing various kinds of dermatitis: a review, **75**

Sjögren's syndrome

Pulmonary MALT lymphoma in patients with Sjögren's Syndrome, **6**

Fibrillary glomerulonephritis in primary Sjögren's Syndrome: a rare cause of renal failure, **100**

Sternoclavicular hyperostosis

Treatment-refractory sternocostoclavicular hyperstosis, **37**

Subcutaneous phaeohyphomycosis

The clinical presentation of subcutaneous phaeohyphomycosis: a case series from Yetebon, Ethiopia, **88**

Surgeon

Professor Monastyrski N.D. (1847-1888): One of the forgotten pioneers of biliary surgery, **33**

Survey

Statistical application and cost saving in a dental survey, **1**

T

Therapeutic embolization

Recurrent hemobilia due to right hepatic artery pseudoaneurysm, **96**

Tumor-necrosis factor inhibitor

Treatment-refractory sternocostoclavicular hyperstosis, **37**

V

Voriconazole

Voriconazole-induced periostitis deformans: A mimiker of hypertrophic pulmonary osteoarthropathy, **19**

W

Warfarin

Recurrent thrombosis in patients with Antiphospholipid Syndrome receiving newer oral anticoagulants: a case report and review of the literature, **41**
