

Clinical Medicine & Research

Subject Index: Volume 5, 2007

Volume 5, Number 1, March 2007, Pages 1-86

Volume 5, Number 2, June 2007, Pages 87-144

Volume 5, Number 3, October 2007, Pages 145-206

Volume 5, Number 4, December 2007, Pages 207-268

A

Acute myocardial infarction

Cocaine-induced acute myocardial infarction, **172**

Advertising

Recruiting healthy volunteers for research participation via internet advertising, **91**

Albendazole

Diagnosis – Hydatid cyst disease, **18**

Alcohol-induced hypoglycemia

Sex differences in hepatic gluconeogenic capacity after chronic alcohol consumption, **193**

Aldosteronism

Congestive heart failure is a systemic illness: A role for minerals and micronutrients, **238**

Alzheimer disease

The contribution of luteinizing hormone to Alzheimer disease pathogenesis, **177**

Amplatz

Percutaneous closure of patent foramen ovale: A case series and literature review, **218**

Amyloid- β

The contribution of luteinizing hormone to Alzheimer disease pathogenesis, **177**

Analgesics

An evidence-based update on nonsteroidal anti-inflammatory drugs, **19**

Anemia

Insights into global nutritional anemia, **209**

Anticoagulation

Initiation of warfarin in hospitals, **207**

Antidiuretic hormone

Tumor-related hyponatremia, **228**

Antidotal therapy

Unequal efficacy of pyridinium oximes in acute organophosphate poisoning, **71**

Antimicrobial susceptibility testing

Comparison of *Salmonella enterica* serovar Heidelberg susceptibility testing results, **98**

Arginine vasopressin

Tumor-related hyponatremia, **228**

Arterial stiffness

Better management of cardiovascular diseases by pulse wave velocity: Combining clinical practice with clinical research using evidence-based medicine, **45**

Arthroplasty

Late instability following total hip arthroplasty, **139**

Arthroscopic synovectomy

Arthroscopic synovectomy in rheumatoid arthritis of the wrist, **244**

ASA

Percutaneous closure of a patent foramen ovale: A case series and literature review, **218**

Ascites

Cystic adrenal hyperplasia—Diagnosis?, **227**

Asia

Utility of the clinical dementia rating in Asian populations, **61**

Autoimmune thyroid disease

Celiac disease and autoimmune thyroid disease, **184**

B

Beevor's sign

A sudden Beevor's sign, **121**

Biliary stent

Plastic biliary stent occlusion: Factors involved and possible preventive approaches, **53**

Bleeding

Evaluation of genetic factors for warfarin dose prediction, **8**
Correction—Evaluation of genetic factors for warfarin dose prediction (Clin Med Res 2007;5:8-16. doi:10.3121/cm.2007.724), **142**

Botulinum toxin

Botulinum toxin in poststroke spasticity, **132**

BRCA

Lessons from BRCA: The tubal fimbria emerges as an origin for pelvic serous cancer, **35**

Broth microdilution

Comparison of *Salmonella enterica* serovar Heidelberg susceptibility testing results, **98**

C

Cancer

Tumor-related hyponatremia, **228**

Cardiac hypertrophy

Effects of resistance training on ventricular function and hypertrophy in a rat model, **114**

CardioSEAL

Percutaneous closure of patent foramen ovale: A case series and literature review, **218**

Cardiovascular risk

Better Management of Cardiovascular Diseases by Pulse Wave Velocity: Combining Clinical Practice with Clinical Research using Evidence-Based Medicine, **45**

Celiac disease

Celiac disease and autoimmune thyroid disease, **184**

Cholangitis

Plastic biliary stent occlusion: Factors involved and possible preventive approaches, **53**

Classification

Utility of the clinical dementia rating in Asian populations, **61**

Coagulation

Evaluation of genetic factors for warfarin dose prediction, **8**
Correction—Evaluation of genetic factors for warfarin dose prediction (Clin Med Res 2007;5:8-16. doi:10.3121/cm.2007.724), **142**

Cocaine

Cocaine-induced acute myocardial infarction, **172**

Cognition

The contribution of luteinizing hormone to Alzheimer disease pathogenesis, **177**

Computed tomographic angiography

Noninvasive cardiac imaging with computed tomography, **165**

Computed tomography

Diagnosis – Hydatid cyst disease, **18**
Noninvasive cardiac imaging with computed tomography, **165**
Cystic adrenal hyperplasia—Diagnosis?, **227**

Congestive heart failure

Congestive heart failure is a systemic illness: A role for minerals and micronutrients, **238**

Coronary artery calcification

Noninvasive cardiac imaging with computed tomography, **165**

Coronary artery disease

Cocaine-induced acute myocardial infarction, **172**

Coronary vessels

Noninvasive cardiac imaging with computed tomography, **165**

Cortisol

Cystic adrenal hyperplasia—Diagnosis?, **227**

Cost

Associated economic impact of skatepark-related injuries in Southern California, **149**

COX-2 specific inhibitors

An evidence-based update on Nonsteroidal anti-inflammatory drugs, **19**

Cross-cultural comparison

Utility of the clinical dementia rating in Asian populations, **61**

Cryptogenic stroke

Percutaneous closure of patent foramen ovale: A case series and literature review, **218**

CT

Noninvasive cardiac imaging with computed tomography, **165**

CTA

Noninvasive cardiac imaging with computed tomography, **165**

Cystic adrenal hyperplasia

Cystic adrenal hyperplasia—Diagnosis?, **227**

Cytoadherence

Cytoadherence and genotype of *Plasmodium falciparum* strains from symptomatic children in Franceville, Southeastern Gabon, **106**

D

Dementia

Utility of the clinical dementia rating in Asian populations, **61**

Diagnosis

Utility of the clinical dementia rating in Asian populations, **61**
TRH stimulation when basal TSH is within the normal range: Is there “sub-biochemical” hypothyroidism?, **145**

Disk diffusion

Comparison of *Salmonella enterica* serovar Heidelberg susceptibility testing results, **98**

Dislocation

Late instability following total hip arthroplasty, **139**

E

Echinococcus sp.

Diagnosis – Hydatid cyst disease, **18**

Echocardiography

Effects of resistance training on ventricular function and hypertrophy in a rat model, **114**

Economic

Associated economic impact of skatepark-related injuries in Southern California, **149**

Efficacy

Unequal efficacy of pyridinium oximes in acute organophosphate poisoning, **71**

Endoscopic insertion

Plastic biliary stent occlusion: Factors involved and possible preventive approaches, **53**

Erythrocyte membrane protein 1

Cytoadherence and genotype of *Plasmodium falciparum* strains from symptomatic children in Franceville, Southeastern Gabon, **106**

Evidence-based medicine

Better management of cardiovascular diseases by pulse wave velocity: combining clinical practice with clinical research using evidence-based medicine, **45**

F

Fallopian tube neoplasms

Lessons from BRCA: The tubal fimbria emerges as an origin for pelvic serous cancer, **35**

Fimbria

Lessons from BRCA: The tubal fimbria emerges as an origin for pelvic serous cancer, **35**

G

Genital warts

Human papillomavirus infections in primary care, **210**

Global health

Insights into global nutritional anemia, **209**

Glucose homeostasis

Sex differences in hepatic gluconeogenic capacity after chronic alcohol consumption, **193**

H

Healthy volunteers

Recruiting healthy volunteers for research participation via internet advertising, **91**

Heart disease

Cocaine-induced acute myocardial infarction, **172**

Hip

Late instability following total hip arthroplasty, **139**

HPV

Human papillomavirus infections in primary care, **210**

Hydatid cyst

Diagnosis – Hydatid cyst disease, **18**

Hyponatremia

Tumor-related hyponatremia, **228**

Hyposelenemia

Congestive heart failure is a systemic illness: A role for minerals and micronutrients, **238**

Hypovitaminosis D

Congestive heart failure is a systemic illness: A role for minerals and micronutrients, **238**

Hypozincemia

Congestive heart failure is a systemic illness: A role for minerals and micronutrients, **238**

Hypertonic saline

Tumor-related hyponatremia, **228**

I

Injury

Associated economic impact of skatepark-related injuries in Southern California, **149**

International Normalization Ratio (INR)

Initiation of warfarin in hospitals, **207**

Internet

Recruiting healthy volunteers for research participation via internet advertising, **91**

J

Joint instability

Late instability following total hip arthroplasty, **139**

L

Larsen stage III

Arthroscopic synovectomy in rheumatoid arthritis of the wrist, **244**

Liver disease

Diagnosis – Hydatid cyst disease, **18**

Luteinizing hormone

The contribution of luteinizing hormone to Alzheimer disease pathogenesis, **177**

M

Malaria

Cytoadherence and genotype of *Plasmodium falciparum* strains from symptomatic children in Franceville, Southeastern Gabon, **106**

Males vs. females

Sex differences in hepatic gluconeogenic capacity after chronic alcohol consumption, **193**

Malignancy

Tumor-related hyponatremia, **228**

Malnourishment

Insights into global nutritional anemia, **209**

Management

Retraction–Sudbo J. Novel Management of Oral Cancer: A paradigm of predictive oncology. Clin Med Res 2004; 2:233-242, **203**

Merozoite surface antigen

Cytoadherence and genotype of *Plasmodium falciparum* strains from symptomatic children in Franceville, Southeastern Gabon, **106**

Meta-analysis

Ablation of the thyroid remnant and I-131 dose in differentiated thyroid cancer: A meta-analysis revisited, **87**

Metformin

Use of an electronic medical record for the identification of research subjects with diabetes mellitus, **1**

Microbial biofilm

Plastic biliary stent occlusion: Factors involved and possible preventive approaches, **53**

Microcalcification

Testicular microlithiasis: Another starry sky appearance, **163**

Mite

Scabies – A hypersensitive subject, **17**

Multi-detector row

Noninvasive cardiac imaging with computed tomography, **165**

Multiple genotype infection

Cytoadherence and genotype of *Plasmodium falciparum* strains from symptomatic children in Franceville, Southeastern Gabon, **106**

Muscular dystrophy

Fixation of winged scapula in facioscapulohumeral muscular dystrophy, **155**

N**Natural language processing**

Use of an electronic medical record for the identification of research subjects with diabetes mellitus, **1**

Neurovascular disease

A sudden Beevor's sign, **121**

Nomogram

Initiation of warfarin in hospitals, **207**

NSAIDs

An evidence-based update on nonsteroidal anti-inflammatory drugs, **19**

Nutrition

Insights into global nutritional anemia, **209**

Nutritional anemia

Insights into global nutritional anemia, **209**

O**Oncology**

Retraction—Sudbo J. Novel Management of Oral Cancer: A paradigm of predictive oncology. Clin Med Res 2004; 2:233-242, **203**

Oral cancer

Retraction—Sudbo J. Novel Management of Oral Cancer: A paradigm of predictive oncology. Clin Med Res 2004; 2:233-242, **203**

Organophosphates

Unequal efficacy of pyridinium oximes in acute organophosphate poisoning, **71**

Organophosphorus insecticides

Unequal efficacy of pyridinium oximes in acute organophosphate poisoning, **71**

Ova

Scabies – A hypersensitive subject, **17**

Ovarian neoplasms

Lessons from BRCA: The tubal fimbria emerges as an origin for pelvic serous cancer, **35**

Oximes

Unequal efficacy of pyridinium oximes in acute organophosphate poisoning, **71**

P**p53**

Lessons from BRCA: The tubal fimbria emerges as an origin for pelvic serous cancer, **35**

Pain

An evidence-based update on nonsteroidal anti-inflammatory drugs, **19**

Pap test

Human papillomavirus infections in primary care, **210**

Patent foramen ovale

Percutaneous closure of patent foramen ovale: A case series and literature review, **218**

PFO

Percutaneous closure of patent foramen ovale: A case series and literature review, **218**

Pharmacogenetics

Use of an electronic medical record for the identification of research subjects with diabetes mellitus, **1**

Plasmodium falciparum

Cytoadherence and genotype of *Plasmodium falciparum* strains from symptomatic children in Franceville, Southeastern Gabon, **106**

Platelet aggregation

Cocaine-induced acute myocardial infarction, **172**

Platelet function

Cocaine-induced acute myocardial infarction, **172**

Postoperative ablation

Ablation of the thyroid remnant and I-131 dose in differentiated thyroid cancer: A meta-analysis revisited, **87**

Postoperative complications

Late instability following total hip arthroplasty, **139**

Prevalence

Celiac disease and autoimmune thyroid disease, **184**

Prevention

Plastic biliary occlusion: Factors involved and possible preventive approaches, **53**
Insights into global nutritional anemia, **209**

Prostate cancer

The role of indium-111 radioimmunoscintigraphy in post-radical retropubic prostatectomy management of prostate cancer patients, **123**

Prosthesis failure

Late instability following total hip arthroplasty, **139**

Pruritic poplar rash

Scabies – A hypersensitive subject, **17**

R

Radioimmunosciintigraphy

The role of indium-111 radioimmunosciintigraphy in post-radical retropubic prostatectomy management of prostate cancer patients, **123**

Radioiodine

Ablation of the thyroid remnant and I-131 dose in differentiated thyroid cancer: A meta-analysis revisited, **87**

Radiotherapy

The role of indium-111 radioimmunosciintigraphy in post-radical retropubic prostatectomy management of prostate cancer patients, **123**

Reactivation

Unequal efficacy of pyridinium oximes in acute organophosphate poisoning, **71**

Recruiting

Recruiting healthy volunteers for research participation via internet advertising, **91**

Recurrence

Ablation of the thyroid remnant and I-131 dose in differentiated thyroid cancer: A meta-analysis revisited, **87**

Research subjects

Recruiting healthy volunteers for research participation via internet advertising, **91**

Resistance training

Effects of resistance training on ventricular function and hypertrophy in a rat model, **114**

Retraction

Retraction—Sudbo J. Novel Management of Oral Cancer: A paradigm of predictive oncology. Clin Med Res 2004; 2:233-242, **203**

Rheumatoid arthritis

Arthroscopic synovectomy in rheumatoid arthritis of the wrist, **244**

S

Salmonella enterica serotype Heidelberg

Comparison of Salmonella enterica serovar Heidelberg susceptibility testing results, **98**

Sarcoptes scabiei var humanus

Scabies – A hypersensitive subject, **17**

Scabies

Scabies – A hypersensitive subject, **17**

Scapulopexy

Fixation of winged scapula in facioscapulohumeral muscular dystrophy, **155**

Screening

Celiac disease and autoimmune thyroid disease, **184**

Scybal

Scabies – A hypersensitive subject, **17**

Secondary hyperparathyroidism

Congestive heart failure is a systemic illness: A role for minerals and micronutrients, **238**

SEE-FIM

Lessons from BRCA: The tubal fimbria emerges as an origin for pelvic serous cancer, **35**

Serous carcinoma

Lessons from BRCA: The tubal fimbria emerges as an origin for pelvic serous cancer, **35**

Severity of illness index

Utility of the clinical dementia rating in Asian populations, **61**

SIADH

Tumor-related hyponatremia, **238**

Skateboarding

Associated economic impact of skatepark-related injuries in Southern California, **149**

Skatepark

Associated economic impact of skatepark-related injuries in Southern California, **149**

Sodium

Tumor-related hyponatremia, **228**

Spasticity

Botulinum toxin in poststroke spasticity, **132**

Spinal cord

A sudden Beevor's sign, **121**

Stenosis

Noninvasive cardiac imaging with computed tomography, **165**

Stent occlusion

Plastic biliary stent occlusion: Factors involved and possible preventive approaches, **53**

Stroke

Botulinum toxin in poststroke spasticity, **132**

Sub-clinical hypothyroidism

TRH stimulation when basal TSH is within the normal range: Is there "sub-biochemical" hypothyroidism?, **145**

Sulfonylurea

Use of an electronic medical record for the identification of research subjects with diabetes mellitus, **1**

T

Testicular cancer

Testicular microlithiasis: Another starry sky appearance, **163**

Testicular microlithiasis

Testicular microlithiasis: Another starry sky appearance, **163**

Therapy

Insights into global nutritional anemia, **209**

Thrombosis

Cocaine-induced acute myocardial infarction, **172**

Thyroglobulin

Ablation of the thyroid remnant and I-131 dose in differentiated thyroid cancer: A meta-analysis revisited, **87**

Thyroid cancer

Ablation of the thyroid remnant and I-131 dose in differentiated thyroid cancer: A meta-analysis revisited, **87**

TRH-test

TRH stimulation when basal TSH is within normal range: Is there "sub-biochemical" hypothyroidism?, **145**

U**Ultrasound**

Testicular microlithiasis: Another starry sky appearance, **163**

V**Vitamin K**

Evaluation of genetic factors for warfarin dose prediction, **8**
Correction—Evaluation of genetic factors for warfarin dose prediction (Clin Med Res 2007;5:8-16. doi:10.3121/cmr.2007.724), **142**

W**Warfarin**

Initiation of warfarin in hospitals, **207**

Winged scapula

Fixation of winged scapula in facioscapulohumeral muscular dystrophy, **155**

Wrist

Arthroscopic synovectomy in rheumatoid arthritis of the wrist, **244**
